

QMS After School Study Center

The **After School Study Center** is a new initiative launched by QMS and funded by the PAC. The Study Center coordinator, Mary Chmielecki, and National Honor Society student tutors from MHS work with students individually or in small groups.

Located in Room 118, just around the corner from the Main Office, the Study Center offers a friendly, quiet workspace where students can get extra help with everything from reviewing of class material to talking about study tips.

- The Study Center is **open to all QMS students**
- Learn better organizational skills and develop more effective study habits.
- Get tips on study skills, binder organization, note-taking and homework management.
- Tutoring also available.
- Attend regularly or on an as-needed/drop-in basis.
- Open after school **1:50 - 2:50 PM Wednesday and Thursday each week (except early dismissal days).**
- Questions? **Please contact the QMS Main Office at 508/261-7530.**
